Subject: Annual CCID Public Dinner Meetings

The CCID Board of Directors has scheduled our annual public meetings for the District's landowners and consumers, including dinner. These meetings are important to get timely information to our consumers. For your convenience we have scheduled meetings at three locations, from 6:00 p.m. to 8:00 p.m. each evening:

Tuesday, April 2, 2013 – Veterans Hall, Firebaugh
Wednesday, April 3, 2013 – Germino Building, Los Banos Fairgrounds
Thursday, April 4, 2013 – Al Goman Center, Gustine

We will be discussing a variety of issues of importance to our consumers, including:

- The status of water supplies in California
- 2013 water supply, allocations and pricing
- Irrigation deliveries, introduction of canal workers and other CCID personnel who serve you in connection with water deliveries, billing and water account internet services set-up
- CCID's water conservation projects
- Information about low-interest loans and grants for on-farm conservation projects
- Legal and political issues facing CCID and the San Joaquin River Exchange Contractors, including recent developments in drainage
- San Joaquin River issues
- Update on the Westside San Joaquin River Watershed Coalition, involving monitoring of ag drainage

Wolfsen's Westside Locker will again be catering the meals, starting at 6:00 p.m. at each meeting. The program will start at 7:00 p.m., and should be completed by 8:00 p.m.

To give us an idea about how many meals to have available, **please call the CCID office by Tuesday, March 26 at (209) 826-1421**, and let us know how many people will attend and at which location.
